FEATHEREDGE

See Lawnswood Fencings own range of featheredge/closeboard panels.

DOUBLE SIDE PALING not available for alternative
See Lawnswood Fencings 'Bethany' range.

TREATMENT

Excluding the Willow, Hazel and Oak all other products are pressure treated to use class 3 or 4 with the highest quality preservative. The treatment is designed to enhance the product and extend the life span, they will require further treatment in time. Products intended for in-ground contact are treated to use class 4 to provide a longer life span, save the customer financially and have a reduced impact on the environment.

IMPORTANT NOTE: KDM source their panels from four different sawmills, this can give slight differences in manufacture. Please check all match at the time of delivery/order.

ALTERATION SERVICE AVAILABLE Please ask our Sales Team for more information.

POSTS & ACCESSORIES

Choosing the right fence post is an important part of the overall look and longevity of your fencing. KDM produce posts, which are planed and treated to Use Class 4 to assist in the safeguarding against environmental conditions and come with a 10 year warranty. We produce two styles; smooth planed and ribbed, they are 4 way rounded top. Our smooth planed posts are ideally suited to the following panels and corresponding gates:- VP, SDS, T&G range, SLA, EST, OL, PW. Our two profiles of ribbed posts, 4-way and 'H' posts, are ideally suited to the following panels and corresponding gates:- OLT, ALT, AH, HLT, VA and SH.

UC4 TREATED DECKING JOISTS IN ASSOCIATION WITH ECC TIMBER PRODUCTS

15
YEAR

ecc
TIMBER PRODUCTS

✓ Kiln dried & structurally graded

✓ Incised & treated to Use Class 4

✓ Suitable for in ground contact

✓ 15 year service life warranty

New standards for decking substructures require a default specification of minimum 15 year service life.

Designed specifically for use directly in ground contact applications and with the added advantage of being eased edge, graded and kiln dried it is more stable than unseasoned timber.

To allow us to achieve Use Class 4 (UC4) we use an incising process that enables the chemical treatment to allow a minimum 6mm penetration into the timber.

Sizes available	Order Code	Inc. VAT
-----------------	------------	----------

100mm x 47mm x 3.6m	UC44212	£11.99
