DURAPOST URBAN SLATTED PANELS / COMPOSITE GRAVEL-BOARDS

An exciting new option for a more architectural style to define their space. Duraposts new URBAN SLATTED PANELS bring a more contemporary look to the garden boundaries. The 70% recycled material is especially carbon conscious for urban dwellers who are more environmentally friendly. [Can be fitted horizontally or vertically to the Durapost system.](#)

- Lightweight unique design for easy installation with Durapost (see p9)
- Modular panel system of 6 boards and 2 horizontal cross rails used vertically
- Can slot into existing concrete posts used horizontally.
- Panels made from rice husk & recycled high density polyethylene (HDPE)
- Cross rails are nano-coated & galvanised steel
- Four colours available: Light grey, Charcoal, Brown and Natural.
- 100% maintenance free
- Dimensions Boards: 1830mm x 50mm x 300mm. Cross rails 1830mm x 48.5mm x 30mm
